Professional Journey

HOW I GOT HERE

At first, I joined Oriflame on my brother's (Syed Shaheed Ahmed, Independent Senior Gold Director) recommendations for personal shopping (at discounts & gifts).

Then I got inspired by my sister (Shyma Zaheer, Independent Diamond Director) who had been started earning from home with Oriflame. And then after that I started taking trainings and following the guidelines of Oriflame business. Where I learned dreaming big because Oriflame says Imagine it's possible!!!

I qualified for manager seminar 2012 for the first time. Where I got clear vision of Oriflame and realized that this platform is for me and decided to make it my career. My husband supported me for this decision and we opened our service point to do work professionally.

Then step by step we started achieving next levels. **Independent Director (2013), Independent Gold Director (2015), Independent Senior Gold Director (2015), Independent Sapphire Director (2016)**. We Qualified for international trips & visited beautiful countries every year like Abu Dhabi, Dubai, Denmark, Italy, Thailand, Sweden, Turkey & Malaysia. We became the part of national top 15 and now we are top No. 3 leader in oriflame pakistan.
